

Physiotherapist (part-time or full-time, hybrid on-site Fort Frances, Ontario: remote from home, term)

Start Date: ASAP

Children's Therapy Collective is a multidisciplinary practice offering allied health services to children and youth. Our practice is based in Winnipeg, Manitoba, and offers services throughout Manitoba and western Ontario.

We are looking for a part-time physiotherapist to join our group of caring, skilled, and dynamic clinicians. This position requires travel to Fort Frances, Ontario (4 full service days per month). Includes paid travel time, mileage, and meals while away from home. Accommodations provided. This position includes supports for Indigenous children (0-18 years of age) and their families from ten First Nation communities near Fort Frances. Services are provided in a variety of settings including at provincial and federal schools, in-office, daycare, health centres and in-homes and spans the child's unique environments to provide well-rounded physiotherapy care. This position requires a physiotherapist who is creative, can work well independently and as part of a team and is motivated to provide the best care for children and their families.

Responsibilities:

- Provide high-quality physiotherapy services to infants, children, and youth, including assessment, intervention, training of adults and monitoring in one on one and group settings.
- Maintain detailed and up-to-date documentation, including chart notes, assessment reports, and progress reports.
- Collaboration with staff and other clinicians to ensure the best possible service delivery to schools, children, and their families.
- Design/delivery of professional development sessions for those supporting children in the communities.
- Practice in a manner that meets and/or exceeds the standard set out by the College of Physiotherapists of Manitoba and/or Ontario.

Requirements:

- Bachelor or Master of Physiotherapy degree & registration in good standing with the College of Physiotherapists of Ontario, or eligibility to become registered with the College of Physiotherapists of Ontario (costs covered for registration with College of Physiotherapists of Ontario)
- Excellent organizational and time-management skills as well as strong team and independent working abilities.
- Current criminal record check & child abuse registry check
- Adequate computer and software skills.
- Access to a reliable vehicle, class 5 driver's license
- Valid professional liability insurance

Assets:

Experience working with children with physical, cognitive, mental, behavioral, or social issues.

- Experience and/or education about working with Indigenous populations.

Benefits:

- Supportive and collaborative work environment. Mentorship in working with children and families available.
- Dental/medical plans available
- Meals and accommodations included when away from home.
- Professional development support.

To apply, please send resume and cover letter to Carrie Shynkaryk (Physiotherapy Team Lead) at carrie@childrenstherapycollective.com. We thank all applicants for their interest, however, only those selected for an interview will be contacted.
