

Speech-Language Pathologist (0.5, 1-Year Term)

Closing Date: TBD

Children's Therapy Collective is a multidisciplinary practice offering allied health services to children and youth. Our practice is based in Winnipeg, Manitoba, and offers services throughout Manitoba and western Ontario.

We are looking for a part-time speech-language pathologist to join our group of caring, skilled, and dynamic clinicians. This position requires travel to Fort Frances, Ontario (1-week in Fort Frances to 1-week remote work from home). Includes paid travel time, mileage, and meals. Accommodations provided.

Responsibilities:

- Provide high-quality physiotherapy services (primarily school-based) to children and youth, including assessment, intervention, training of adults and monitoring in one on one and group settings.
- Maintain detailed and up-to-date documentation, including chart notes, assessment reports, and progress reports.
- Collaboration with staff and other clinicians to ensure the best possible service delivery to schools, children, and their families.
- Design/delivery of professional development sessions for those supporting children in the communities.
- Practice in a manner that meets and/or exceeds the standard set out by the College of Speech-Language Pathologists and Audiologists of Manitoba and/or Ontario.

Requirements:

- Masters degree & registration in good standing with the College of Speech-Language Pathologists and Audiologists of Ontario, or eligibility to become registered with the College of Speech-Language Pathologists and Audiologists of Ontario (cost covered for registration with College of Speech-Language Pathologists and Audiologists of Ontario if registered in a different province).
- Strong technical, computer skills.
- Excellent organizational and time-management skills as well as strong team and independent working skills
- Current criminal record check & child abuse registry check
- Access to a reliable vehicle, class 5 driver's license
- Valid professional liability insurance

Assets:

Experience working with children with complex physical, cognitive, mental, behavioral, or social issues

- Experience and/or education about working with Indigenous groups
- Knowledge of inclusive education principles.

Benefits:

- Supportive and collaborative work environment.
- Competitive salary.
- Dental/medical plans available
- Meals and accommodations included when in Fort Frances.

To apply, please send resume and cover letter to info@childrenstherapycollective.com . We thank all applicants for their interest, however, only those selected for an interview will be contacted.
