

Children's Therapy Collective – Physiotherapist Position(s)

Children's Therapy Collective is a fast-growing multidisciplinary practice offering Occupational Therapy, Speech-Language Pathology, Physiotherapy, and Counselling services (in-client home and virtual) to children and youth in Winnipeg and surrounding areas.

We are looking for physiotherapists to join our group of caring, skilled, and energetic clinicians on a contract/casual basis.

Benefits:

- Set your own hours and availability. Many of our contractors have other places of employment and they choose hours that work for them.
- Set your own ideal caseload size. Contractors can determine the caseload size that they are comfortable with and there will be no expectation to go beyond that.
- Contractors are not expected to do administrative work (intake meetings, billing, etc.).
- A supportive and available leadership team.

Responsibilities:

- Provide high-quality physiotherapy services to children and youth and their families.
- Remain up to date on documentation/case notes on our secure online portal.
- Communicate effectively with caregivers of children and with Children's Therapy Collective owners.
- Practice in such a standard that meets and/or exceeds the standard set out by the College of Physiotherapists of Manitoba

Requirements:

- Bachelor of Physiotherapy or Master of Physiotherapy degree & registration with the College of Physiotherapists of Manitoba.
- Experience providing Physiotherapy services to children.
- Ability to communicate in English and/or French. Ability to communicate in French or other languages besides English considered an asset.
- Professional liability insurance for Physiotherapy practice in Manitoba (including cyber security insurance)
- Access to a reliable vehicle

To apply, please send resume and brief explanation outlining experience with physiotherapy and professional experience with children to carrie@childrenstherapycollective.com. Only those selected for an interview will be contacted.
