

## Summer Camp Registration Information – 2024

1. All camps are led by an occupational therapist, physiotherapist, and speech-language pathologist. All clinicians hold current registration with their professional colleges.
2. Camps are run in a play-based fashion. Children will be a good fit for our camps if they would benefit from learning new skills in a small group setting. Children must be able to be safe in a group setting, be toilet trained, and be able to communicate their basic wants and needs (speech, AAC). Respite workers are welcomed if necessary.
3. The camp fee is refundable, less a cancellation fee (\$75.00). Cancellations made after June 17, 2024 for the July 2024 camp and after August 5, 2024 for the August 2024 camp will NOT be refunded.
4. Receipts will be provided on the last day of camp and can be submitted to most insurance plans. Please check with your insurance provider. Missed days are not eligible for reduced fees. We are unable to provide receipts confirming service delivery for reimbursement purposes for missed days.
5. Camps can be cancelled if insufficient enrollment occurs. Fees will be refunded.
